A Message from the Executive Board

Welcome to the Central New York Chapter’s 14th Annual Scholar-Athlete Awards Dinner. Tonight we will pay tribute to 77 high school and college scholar-athletes who epitomize everything that is right about high school and college football. In addition, we will honor several individuals for their contributions to the great sport of football and our country.

We would like to congratulate tonight’s honorees and their families. We take great pride in highlighting your accomplishments both on and off the football field. By earning a spot on our dais, your story has proven itself worthy of being told to inspire others to follow in your footsteps.

With the addition of tonight’s class the Central New York Chapter has had the privilege to honor 836 scholar-athletes and have awarded scholarship totaling over $320,250.00 in fourteen short years.

“Upon the fields of friendly strife are sown the seeds that, upon other fields, on other days, will bear the fruits of victory” said General Douglas MacArthur (one of the founders of the National Football Foundation). MacArthur's perspective is today still relevant. Our youth embark into a world that will have many challenges. MacArthur’s quote highlights that the sport of football is uniquely positioned to teach teamwork, discipline, dedication, and sacrifice; all useful leadership characteristics.

The Central New York Chapter is dedicated to supporting the game, those who teach it, play, and officiate it as a development tool for our youth.

Tonight’s celebration honors more than these wonderful scholar-athletes. It also honors those that have taught them, the game itself, and most importantly it honors their parents. To you we commend you on a job well done. Congratulations to all!

Since The Inaugural Scholar-Athlete Awards Dinner in 2001, the Central New York Chapter Scholarships have continued to step forward. This year alone the chapter will distribute over $38,500.00 to these deserving scholar athletes. This could not be made possible without the support of many individuals and organizations.

Scholarships for 2014

1 - $750.00 AL VEDDER SCHOLARSHIP
This scholarship has been established by friends, family and members of the chapter to honor our first president. It reflects Al’s passion for competition, the spirit of youth, and the lessons of life in sport. It is awarded annually to the highest ranking high school senior.

2 - $500.00 VALLEY GRANT SCHOLARSHIPS
Wayne Valley, the original owner of the Oakland Raiders, became involved with The National Football Foundation through the Northern California Chapter and its president, Bob Keropian. Eventually, Wayne's enthusiasm for the mission of the NFF led him to become a member of The Foundation’s Board of Directors. When Wayne passed away in 1986, his wife, Gladys, continued the efforts of the family's foundation and strengthened her involvement with the Northern Chapter. In 1994, Gladys played a key role in forging a grant from the Wayne and Gladys Valley Foundation. The grant provided the NFF with $50,000 a year for five years for its chapter scholar-athletes program. Although Gladys passed away in 1998, the Wayne and Gladys Valley Foundation has continued support the NFF. In 1999, under the leadership of President Stephen Chandler, the Wayne and Gladys Valley Foundation renewed the chapter scholar-athlete program for five more years, with increased funding for the chapter scholar-athlete awards. The Central New York Chapter was awarded two $500.00 Scholarships.

1 - $500.00 GEORGE MARCOCCIA MEMORIAL SCHOLARSHIP
This scholarship has been established by an anonymous supporter of football. George graduated from Syracuse University in 1957. He began officiating high school football in 1962 and entered the college ranks in 1967 with ECAC. George joined the major independents in 1980. He officiated many of the major college football games played during the 1980’s and culminated his career by officiating the Army-Navy game in the Rose Bowl in 1985. After George left the field, he became an observer and technical advisor for Syracuse University, the Big East and Conference USA. George owned and operated the Marcoccia-Donnelly Insurance Agency for 27 years. This scholarship will be awarded to a scholar-athlete from a member high school.

1 - $500.00 OFFICIALS-COACHES SCHOLARSHIP
This scholarship has been established by an anonymous football coach and Francis J. Deorio, ECAC Football Official. This scholarship will be awarded to a senior scholar-athlete from a member high school.

This scholarship has been established by Tony and Michael Albanese to recognize the excellent efforts of an outstanding high school athlete.

This scholarship will be awarded to a future leader.

The members of The National Football Foundation are dedicated to:

1. Preserving the spirit of football, its character-building attributes and its vital role in the education process.
2. Fostering the use of these attributes and its vital role in the development of scholarship and leadership.
3. Recognizing and honoring accomplishments both on and off the playing field.
4. Providing permanence to the history of these accomplishments.

Today, The National Football Foundation - with more than 19,000 members in over 100 Chapters throughout the United States - conducts two major programs that make significant contributions in achieving these lofty goals.

I. The National Football Foundation Scholar-Athlete Awards

The Foundation’s Scholar-Athlete Awards are divided into two categories, local and national.

Local Scholar-Athletes - High School Level

Educators, coaches and community leaders agree that education and development values must be taught at this level. The National Football Foundation’s Chapters provide the local community with positive role models by recognizing those individuals in their community who best exemplify all three qualifications:

1. Outstanding academic application and performance
2. Exemplary school leadership and citizenship
3. Superior football performance

National Scholar-Athletes - College Level

Although the basic requirements remain the same - Scholarship, Citizenship and Football Performance - the competition is clearly more intense. The National Football Foundation’s National Scholar-Athletes are truly representative of our nation’s best and brightest. To date, The National Football Foundation has awarded Scholar-Athlete scholarships totaling nearly seven million dollars.

Since its early beginnings in 1951, The College Football Hall of Fame has grown to become one of the world's major sports shrines. Today, more than 810 players and coaches - those whose careers have exemplified the Foundation's basic creed of Scholarship, Citizenship and Performance - are enshrined at The College Football Hall of Fame in South Bend, Indiana. The temple of the great college football men, honoring those who have honored the game with their contributions, is the creation and ongoing commitment of The National Football Foundation and College Hall of Fame. In addition, The Annual Kickoff Classic at the Meadowlands in New Jersey provides a major source of revenue to support The Foundation and its scholarship programs. Other activities sponsored by The National Football Foundation include the Annual Awards Dinner, the awarding of the MacArthur Bowl and Championship trophies to all Divisions of College Football.

The National Football Foundation seeks to not only honor the great players and coaches in the history of College Football but to also inspire our nation's youth to compete on the athletic fields and in the classroom and to assume leadership roles on the high school and college campuses today.

The National Football Foundation honors men who honor the game, men who have revealed a love of country, concern for their fellow man and the nation's youth — men who get involved in community affairs, men who care about today's problems and tomorrow's leadership.

In a broad but very significant sense The National Football Foundation is a nationwide educational organization. It enlists the ex-player, educator, athletic director and coach, the football official, writer and commentator, and the football fan in the service of the American youth. It strives to promote football as an integral and wholesome part of our educational processes; to inculcate the ideals of sportsmanship into the mind of the spectator as well as that of the player; and to encourage the most beneficial direction and playing of the game at schools and colleges throughout the country.

To achieve its aims, the Foundation seeks to establish the true concept of football and to gain recognition of the significant role it plays in the preservation and advancement of our way of life. It endeavors to attain these goals by disseminating relevant information through its own publications and the other voices that reach the public, by granting awards and fellowships for postgraduate study to college seniors who have been outstanding in football ability, academic achievement and campus leadership during their undergraduate years, and by honoring in the College Football Hall of Fame those college players and coaches whose deeds and lives during and after their playing and coaching days have been exemplary and inspiring.

Throughout the country, over 19,000 members of The Foundation, working through their local chapters honor and award to high school scholar-athletes fellowships for their college undergraduate studies.

The Foundation, in accomplishing its purposes, serves not only the youth but the nation as well. High school and college football, conducted and played in the proper way, teaches lessons which, together with those taught in the classroom, help mold young Americans sound in heart, mind and body.
