To All Scholar-Athletes

Welcome to the Central New York Chapter's 15th Annual Scholar-Athlete Awards Dinner. Tonight we will pay tribute to 81 high school and college scholar-athletes who epitomize everything that is right about high school and college football. In addition, we will honor several individuals for their contributions to the great sport of football and our country.

We would like to congratulate tonight’s honorees and their families. We take great pride in highlighting your accomplishments both on and off the football field. By earning a spot on our dais, your story has proven itself worthy of being told to inspire others to follow in your footsteps.

With the addition of tonight's class the Central New York Chapter has had the privilege to honor 836 scholar-athletes and have awarded scholarship totaling over $359,000.00 in fifteen years.

“Upon the fields of friendly strife are sown the seeds that, upon other fields, on other days, will bear the fruits of victory” said General Douglas MacArthur (one of the founders of the National Football Foundation). MacArthur's perspective is today still relevant. Our youth embark into a world that will have many challenges. MacArthur's quote highlights that the sport of football is uniquely positioned to teach teamwork, discipline, dedication, and sacrifice; all useful leadership characteristics.

The Central New York Chapter is dedicated to supporting the game, those who teach it, play, and officiate it as a development tool for our youth.

Tonight's celebration honors more than these wonderful scholar-athletes. It also honors those that have taught them, the game itself, and most importantly it honors their parents. To you we commend you on a job well done. Congratulations to all!

Since The Inaugural Scholar-Athlete Awards Dinner in 2001, the Central New York Chapter Scholarships have continued to step forward. This year alone the chapter will distribute over $40,750.00 to these deserving scholar athletes. This could not be made possible without the support of many individuals and organizations.

Scholarships for 2015

1 - $750.00 AL VEDDER SCHOLARSHIP
This scholarship has been established by friends, family and members of the chapter to honor our first president. It reflects Al's passion for competition, the spirit of youth, and the lessons of life in sport. It is awarded annually to the highest ranking high school senior.

2 - $500.00 VALLEY GRANT SCHOLARSHIPS
Wayne Valley, the original owner of the Oakland Raiders, became involved with The National Football Foundation through the Northern California Chapter and its president, Bob Keropian. Eventually, Wayne's enthusiasm for the mission of the NFF led him to become a member of The Foundation's Board of Directors. When Wayne passed away in 1986, his wife, Gladys, continued the efforts of the family's foundation and strengthened her involvement with the Northern Chapter. In 1994, Gladys played a key role in forging a grant from the Wayne and Gladys Valley Foundation. The grant provided the NFF with $50,000 a year for five years for its chapter scholar-athletes program. Although Gladys passed away in 1998, the Wayne and Gladys Valley Foundation has continued support the NFF. In 1999, under the leadership of President Stephen Chandler, the Wayne and Gladys Valley Foundation renewed the chapter scholar-athlete program for five more years, with increased funding for the chapter scholar-athlete awards. The Central New York Chapter was awarded two $500.00 Scholarships.

1 - $500.00 GEORGE MARCOCCIA MEMORIAL SCHOLARSHIP
This scholarship has been established by an anonymous supporter of football. George graduated from Syracuse University in 1957. He began officiating high school football in 1962 and entered the college ranks in 1967 with ECAC. George joined the major independents in 1980. He officiated many of the major college football games played during the 1980's and culminated his career by officiating the Army-Navy game in the Rose Bowl in 1985. After George left the field, he became an observer and technical advisor for Syracuse University, the Big East and Conference USA. George owned and operated the Marcoccia-Donnelly Insurance Agency for 27 years. This scholarship will be awarded to a scholar-athlete from a member high school.

1 - $500.00 FRANK BORER SCHOLARSHIP (CNY Chapter of the National Football Foundation and College Football hall of Fame)
This scholarship was established by the CNY Chapter of the National Football Foundation to recognize and honor the memory of our long time supporter and sponsor, Frank Borer, founder and CEO of Express Mart. This scholarship shall be awarded annually to the scholar athlete with the highest academic average.

1 - $500 RANUCCI MEMORIAL SCHOLARSHIP
The family of Tom and Julie Ranucci have established this scholarship in memory of their parents. Throughout their lives they taught us the creed of the National Football Foundation Athletes in concert with academic achievement and civic leadership. This scholarship will be awarded to a future leader.

50 - $500 CNY CHAPTER SCHOLARSHIP
Recipients of these Scholarships, which are endowed by The Central New York Chapter of The National Football Foundation and College Hall of Fame, have distinguished themselves by demonstrating excellence in the classroom, on the field, and as citizens.

Distinguished American Award

Criteria

This award is presented on special occasions to an outstanding American, but not necessarily to a former football player. This Year’s Honoree

U.S. Army Tenth Mountain Division
Fort Drum, New York

Major General Stephen J. Townsend, Commander, 10th Mountain Division and Fort Drum

Accepting: Colonel David Doyle, 2nd Brigade Combat Team Commander

The modern 10th Mountain Division was reactivated as a “Light Infantry” Division at Fort Drum in February 1985, designed to meet a wide range of worldwide infantry intensive contingency missions. Over the next six years, facilities were constructed, units were activated, soldiers assigned, and varying levels of training exercises were conducted to bring the division’s units to their full readiness.

The Division’s first deployment was to support recovery efforts in south Florida following Hurricane Andrew in 1992. Later that same year, units were deployed to Somalia to secure major cities and roads to provide safe passage for relief supplies to the starving Somali population under Operation Restore Hope. In 1994, units deployed to Haiti during Operation Uphold Democracy, conducting the Army’s first air assault from an aircraft carrier and providing security for President Aristide’s return to Haiti.

Between 1997 and 2001, elements of the 10th Mountain Division supported peacekeeping and peace enforcement operations around the world, serving with the Multinational Force and Observers in the Sinai Desert, and supporting operations in Bosnia and Kosovo.

In 2001, 10th Mountain Division units were among the first to deploy to Afghanistan in response to the September 11 attack and the Division continued to support Operation Enduring Freedom in Afghanistan as well as deploying various units to Iraq in support of Operation Iraqi Freedom, through 2010. All Division units were redeployed from Afghanistan in 2014.

The 10th Mountain Division (Light Infantry) remains ready to deploy worldwide in support of global contingencies—a trained and combat ready force for rapid deployment.

The 10th Mountain Division and the Syracuse University Football Team teamed together three years ago to incorporate the unique Army leadership and team building exercises into the SU pre-season football program. The SU football team uses this opportunity to aid in the growth of the players and further their relationship with Fort Drum and the 10th Mountain Division. Fort Drum and SU view this relationship as a way to strengthen the bond between the 10th Mountain Division, SU football and members of the surrounding area.

Colonel Dave Doyle is the commander of 2nd Brigade Combat Team, 10th Mountain Division, and an avid fan of the Dallas Cowboys and the Texas Longhorns. A native of New York, he is a 1993 graduate of the U.S. Military Academy and holds an Masters Degree in Strategy from the National War College. He has served in support of operations in Haiti, Iraq and Afghanistan in both conventional and special operations units.

Sergeant Jaren S. Jackson joined the Army in 2012 and serves as a Motor Transportation Operator. Sergeant Jackson played high school football at Vigor and T.R. Miller High School in Alabama from 2007-2011. He played his freshman and sophomore season earning all-state honors as a sophomore as safety. He transferred to T.R. Miller High in spring of 2009 as a junior he earned all state honors again as a safety, leading his team to a state championship and leading class 3A in interceptions. His senior season he led his team to a 2nd straight state championship and earning all-state honors and finishing 2 in 3A Back of the year and finishing 4th in Mr. Football for the state of Alabama. He earned a scholarship to Auburn University but before he started his playing career at Auburn during his freshman year, suffered a knee injury which ended his season and his career.

Sergeant Michael G. Yount joined the Army in 2010 and serves as a Radio and Communication Security Equipment Repairer. Sergeant Yount played high school football at Warren G.Harding High School from 2004-2008 as a wide receiver. He was a 3 year starter, 2 year letterman, and as a senior he was the captain of the team. As a senior he also was named 1st Team All Conference and led the conference in reception touchdowns, 2nd in receiving yards and receptions. He led his team to a Conference Championship on 2007 and a State Championship in 2008. After graduating high school, he attended Youngstown State University for 1 year. Sgt Yount continues to play football in between deployments as a member of the Semi-Pro team, Watertown Revolution. Last year he finished the season with 10 Touchdowns and over 1,000 yards receiving.

Staff Sergeant Anthony Cicciariello Jr. joined the Army in 2009 and is a Geospatial Intelligence Imagery Analyst. Staff Sergeant Anthony Cicciariello Jr. played high school football at Menchville High School from 2000 - 2004. He played quarterback and finished 2nd in the Peninsula District in passing yards and passing touchdowns. He was named the team offensive player of the year and served as one of three team captains throughout the season. After graduating high school he continued playing football at Bridgewater College as a quarterback and was part of the Old Dominion Athletic Conference Champion Bridgewater College Eagles.

Background Information

Founded in 1947 by Grantland Rice, General Douglas MacArthur and Colonel Earl (Red) Blaik, The National Football Foundation and College Hall of Fame is dedicated to mobilizing the constructive forces of amateur football, at all levels, for the benefit of society as a whole. As stated most clearly by former President - and Foundation Gold Medal recipient - Dwight D. Eisenhower: “In football, in business, in the trades and the professions, the normal urge to excel provides one of the most hopeful assurances that our kind of society will continue to advance and prosper. Morale…the will to win, the fighting heart…are the honored hallmarks of the football coach and player. This morale, this will, this heart…we need not only in athletic teams as individual, but collectively.” To preserve and encourage these values in our nation’s youth, The National Football Foundation helps to bring together all of the organized groups that play, coach, administer, support and report amateur football.

The members of The National Football Foundation are dedicated to:

1. Preserving the spirit of football, its character-building attributes and its vital role in the education process.
2. Fostering the use of these attributes and its vital role in the development of scholarship and leadership.
3. Recognizing and honoring accomplishments both on and off the playing field.
4. Providing permanence to the history of these accomplishments.

Today, The National Football Foundation - with more than 19,000 members in over 100 Chapters throughout the United States - conducts two major programs that make significant contributions in achieving these lofty goals.

I. The National Football Foundation Scholar-Athlete Awards

The Foundation’s Scholar-Athlete Awards are divided into two categories, local and national.

Local Scholar-Athletes - High School Level

Educators, coaches and community leaders agree that education and development values must be taught at this level. The National Football Foundation’s Chapters provide the local community with positive role models by recognizing those individuals in their community who best exemplify all three qualifications:

1. Outstanding academic application and performance
2. Exemplary school leadership and citizenship
3. Superior football performance

National Scholar-Athletes - College Level

Although the basic requirements remain the same - Scholarship, Citizenship and Football Performance - the competition is clearly more intense. The National Football Foundation’s National Scholar-Athletes are truly representative of our nation’s best and brightest. To date, The National Football Foundation has awarded Scholar-Athlete scholarships totaling nearly seven million dollars.

Since its early beginnings in 1951, The College Football Hall of Fame has grown to become one of the world's major sports shrines. Today, more than 810 players and coaches - those whose careers have exemplified the Foundation's basic creed of Scholarship, Citizenship and Performance - are enshrined at The College Football Hall of Fame in South Bend, Indiana. The temple of the great college football men, honoring those who have honored the game with their contributions, is the creation and ongoing commitment of The National Football Foundation and College Hall of Fame. In addition, The Annual Kickoff Classic at the Meadowlands in New Jersey provides a major source of revenue to support The Foundation and its scholarship programs. Other activities sponsored by The National Football Foundation include the Annual Awards Dinner, the awarding of the MacArthur Bowl and Championship trophies to all Divisions of College Football.

The National Football Foundation seeks to not only honor the great players and coaches in the history of College Football but to also inspire our nation’s youth to compete on the athletic fields and in the classroom and to assume leadership roles on the high school and college campuses today.

The National Football Foundation honors men who honor the game, men who have revealed a love of country, concern for their fellow man and the nation's youth — men who get involved in community affairs, men who care about today’s problems and tomorrow’s leadership.

In a broad but very significant sense The National Football Foundation is a nationwide educational organization. It enlists the ex-player, educator, athletic director and coach, the football official, writer and commentator, and the football fan in the service of the American youth. It strives to promote football as an integral and wholesome part of our educational processes; to inculcate the ideals of sportsmanship into the mind of the spectator as well as that of the player; and to encourage the most beneficial direction and playing of the game at schools and colleges throughout the country.

To achieve its aims, the Foundation seeks to establish the true concept of football and to gain recognition of the significant role it plays in the preservation and advancement of our way of life. It endeavors to attain these goals by disseminating relevant information through its own publications and the other voices that reach the public, by granting awards and fellowships for postgraduate study to college seniors who have been outstanding in football ability, academic achievement and campus leadership during their undergraduate years, and by honoring in the College Football Hall of Fame those college players and coaches whose deeds and lives during and after their playing and coaching days have been exemplary and inspiring.

Throughout the country, over 19,000 members of The Foundation, working through their local chapters honor and award to high school scholar-athletes fellowships for their college undergraduate studies.

The Foundation, in accomplishing its purposes, serves not only the youth but the nation as well. High school and college football, conducted and played in the proper way, teaches lessons which, together with those taught in the classroom, help mold young Americans sound in heart, mind and body.
